SUPPLEMENTAL RESPONSE AND AMENDMENT UNDER 37 CFR §§ 1.111 AND
1.115; RESPONSE TO NOTICE TO COMPLY AND SUBMISSION OF
SUBSTITUTE SEQUENCE LISTING IN PAPER FORM AND COMPUTER
READABLE FORM

Sir:

Responsive to the Notice to Comply, dated February 17, 2005, herewith please find a substitute Sequence Listing in both computer readable form and paper form. The substitute Sequence Listing corrects the defects found in the first submission.

A Statement under 37 CFR § 1.821(f) is also enclosed.

The Office requires that the Applicants provide proper sequence notation and disclosure for every sequence disclosed in the Specification. The Office specifically notes the sequence at page 22, line 19 and page 23, lines 6 and 36 of the Specification. The Applicants note that the peptide at page 23, line 36 is appropriately identified as SEQ ID No. 4 in the Specification as filed. Sequence identifiers for the disclosed peptides have been appropriately incorporated in the replacement paragraphs for page 22, lines 15-28 and page 23, lines 5-32 of the Specification with the accompanying Amendment to the Specification.

Accordingly, entry of the present amendment, the Sequence Listing and Statement into the record are hereby respectfully requested.

Respectfully submitted,
